

TASTES THAT CONTINUE TO LEAVE
A MARK TIME AFTER TIME:
**VAN'S TRADITIONAL
BREAKFAST**

Van, one of the oldest settlements in the world, has a deep-rooted tradition that dates back as far as the Silk Road and continues to leave a mark time after time: The Traditional Van Breakfast.

The Traditional Van Breakfast is prepared with ingredients produced on fertile lands located on the shores of Lake Van and has evolved over hundreds of years with the blended tastes of all the cultures passing through the Silk Road; the reputation of this breakfast is known not only in Türkiye but all over the world.

The Traditional Van Breakfast has been awarded a Geographical Indication Registration certificate as a result of the initiatives of Van Yüzüncü Yıl University and is also a candidate for UNESCO's Intangible Cultural Heritage List; it continues to have the cultural and gastronomic importance that it has had for hundreds of years.

The Traditional Van Breakfast also entered the Guinness Book of Records in 2014 with the record title "The Largest Full Breakfast (Attendance)", and thanks to Elite World, the flavours of this famous breakfast that have been passed down from generation to generation for hundreds of years can still be enjoyed today by anyone who happens to pass through Türkiye.
